Well it was nice to be back racing even though we had a few showers. !!!																										
Peter Jarvie took the Handicap series today from Tom who was 2nd then Neil 3rd.																										
I was thrilled to be 1st in the Scratch series although not such a big fleet and Bunny wasn't there. !!!!																										
Ray took 2nd and Don Lidgard 3rd.																										
A good days sailing with 13 races sailed, penalties done when required - a few marks missed but overall everyone well-behaved !!!!
