Challenging racing today with the Nor-westerly the most difficult wind to lay courses for !!!																											
However Barry took advantage of his handicap and had a perfect score - winning the Hdcp series. Well done Barry.																											
Ron sailed back into the top echelon after having a leaky boat last week to come 2nd and I managed 3rd.																											
Our top sailors showed their form in the Scr series with Bunny 1st (again) Don 2nd and Ray 3rd. Congratulations																											
Welcome to our new electron sailor - Tim Johnston - a blast from the past as we were in the same class at Primary school !!!!																											
Good luck to all those sailing in the Regatta at Gulf Harbour next weekend.
