14 boats today so a few "whoopsies" with close quarter sailing. Penalties appeared to be taken freely.																											
Congratulations to Neil who made the most of his handicap finishing well ahead.																											
Apart from his score all the others were very close so the handicapping isn't too bad !!!!																											
Lindsay was 2 <sup>nd</sup> with Bunny 3 <sup>rd</sup> . Well done all.																											
JR took the Scratch series from Bunny and then Don was 3 <sup>rd</sup> .																											
Don't forget to enter the Onepoto Regatta on Saturday March 11th
