Red for dropped race

Hi All

Light airs again today and once again from the NW which is not our best wind, but we managed to set a course that gave us a good beat from the bottom mark.

It was a very frustrating day for most with fluky winds coming and going, sailing clear of trouble was the secret to success .

In the handicap series one boat stood out from the rest today in the light conditions and that was the "M" boat. I think it was on steroids! Well done John 1st on Handicap Bunny 2nd and Bill a creditable 3rd. In the scratch races Bunny 1st Dan a very good 2nd and JR 3rd

I have revised all handicaps accordingly

Cheers have a great week Bunny [ for Judy ]
