Hi All

Light NE winds but fairly consistant throughout the day.

The big course made for some good competitive racing and everyone obeyed the rules doing turns when called.

Wind shifts were many and varied from race to race so concentration was paramount , I felt it was one of the best days sailing we have had.

Bunny took out the handicap series with JR second and Neil a very well earned third

JR won the scratch series with Bunny second and Ray third.

Sailing with the Onepoto Electron Group is always a pleasure, long may it stay!

Cheers have a great week Bunny [ for Judy ]
