

15th July 2020 **BBYC Electron News Letter.**

BBYC / CRC - Des Townson Memorial Electron Regatta

Whitianga Friday 13TH 2pm to 4pm & Saturday 14TH 10am to 2pm Nov 2020

Hi Electroneers,

Yes, it's been a difficult and uncertain year in so many ways but we are being positive and looking forward to catching up with you all in November at Whitianga.

Planning is nearly completed for the BBYC / **CRC** Electron regatta to be held in Whitianga on the 13th **AND** 14th November 2020. Yes this year we are holding the regatta over 2 days to make it a bit more relaxing for both competitors and organisers. (none of us are getting any younger) I just need your entries in a.s.a.p.

Attached is the Notice of Race
Sailing Instructions
Entry form

Please read and fill out the entry completely noting there are changes and additions to the form this year. If you can't print & scan to return just put all the info in an email back to me or phone me.

Venue Cost : **CRC** are generously covering the cost of the Whitianga Rugby Club for the Prizegiving BBQ. Venue worked extremely well last year and is a great contingency for comfort and weather.

ACCOMODATION : We have booked out the entire Peninsular Motel and as you know there is limited capacity but we will do everything possible to accommodate everyone. The sooner you let me know what you require the easier it is for me to juggle and make sure you get what you want. Thomas has already booked and entered from Rarotonga. Rooms are available THURSDAY FRIDAY SATURDAY and longer if you want to extend your break. Same great rates as the last 2 years.

WATERWAYS CRUISE Thursday 4pm. Coming down Thursday is a great option so you can chill out before Friday racing having already driven down **AND** we would love you to join us and our Waterways Hosts Hoppers Developments on a Thursday afternoon cruise of the Waterways. Departs 4pm from Mobil Bay Service station (racing area). It's on them, with the On Board Café available and BYO Beer and Wine. Just make sure you let me know who is coming.

Can't get down before Friday racing because you got to work! Don't worry there will be special prizes for Saturday only competitors even if there is only one of you.

**Look forward to catching up in November for a fun regatta,
just need your entries to the Des Townson Memorial Regatta a.s.a.p.**
